Painting in Oils**\$490****TUTOR: MARIE MANSFIELD**

Students are encouraged to continue to develop their techniques of realist tonal painting and further their experience. This class focuses on how to observe structure, light and form to bring a sense of atmosphere to your work. It encourages you to further explore your own practice while gaining insights into technique. Students are encouraged to bring their own ideas and reference.

Suitable for intermediate to advanced students.

Wednesdays

1:30 – 4:30pm

Painting Loose Watercolour**\$440****TUTOR: SUSIE MURPHIE**

Learn how to get watercolour onto paper in a quality way that will look wonderful... minimal brushstrokes, with maximum watercolour magic. Learn how to use a limited palette and mix colours in a foolproof subtle way that immediately adds confidence to your work. No glazing – just high impact watercolour painting. Learn to be loose!

Fridays

1.30pm – 4.30pm

Portraiture**\$440****TUTOR: MATHEW LYNN**

Portraiture relies on an exacting system of shape proportions, so let Mathew Lynn demystify this by taking you through the whole process from the ground up! Starting with understanding what you're 'seeing' with simple drawing, we move on to painting and understanding colour and tone, how to evoke intangible qualities, plus putting everything into practice with a couple of live portrait sittings per term. Mathew's teaching style is very enthusiastic and expansive, and he also loves helping people with more contemporary and experimental approaches. You can work in any medium you choose..

Mondays

1.30pm – 4.30pm

Professional Creative Practice**\$525****TUTOR: JODY GRAHAM**

Join artist Jody Graham for a six-week mentorship program focused entirely on helping you make the work you are meant to make.

Through personalised one-on-one guidance, you'll explore your own creative direction, develop a cohesive body of work, and deepen your artistic voice. Each session is tailored to your practice, offering expert feedback, practical strategies, and professional insights to support your growth. This intimate course, limited to eight participants, gives you dedicated time, space, and mentorship to create with confidence, clarity, and focus, helping you bring your unique vision to life.

Tuesdays (6 sessions)

9.30am – 3.00pm

Saturday Sessions**\$520****TUTOR: JUDITH WHITE**

This 6 week course of 4hr lessons is designed to allow you to develop a real momentum in your art practice. Individual tuition will encourage personal visual language in your preferred medium. There will be some class exercises designed to equip you with skills that help visual problem solving. Suitable for intermediate and advanced students.

Saturdays (6 week course)

9.30am – 1.30pm

Seascapes**\$440****TUTOR: MATHEW LYNN**

Join contemporary artist Mathew Lynn on a journey exploring our beautiful beaches and waterways, where you will be encouraged to express your personal visions, experiences and memories, whether observational or more experimental and contemporary. This is a course for any media you choose. You can work more traditionally, deepening your understanding of the fundamentals of seascape representation, or completely transform your practice with experimentation and abstraction. Mathew's teaching style is enthusiastic and expansive!

Mondays

9.30am – 12.30pm

Still Life**\$440****TUTOR: MATHEW LYNN**

Let award winning artist Mathew Lynn be your guide in exploring Still Life and objects in space. This will be an opportunity for you to examine and strengthen your existing traditional still life practice, or to experiment and explore how objects important to you inhabit special spaces. Mathew regularly refers to great still life artists and works from the past and contemporary art, to help bring a wider sense of continuity and possibility in this genre. Mathew's teaching style is enthusiastic and expansive, and he can help you with anything from traditional drawing and rendering, how to 'see', academic tonalism, through to exploring how to completely rebuild your practice through experimentation, and perceiving your stimulus in less representational ways.

Wednesdays

9.30am – 12.30pm

Watercolour Painting**\$440****TUTOR: YVONNE EAST**

Learn essential watercolour techniques with friendly step-by-step instruction. Students will be introduced to a variety of methods and techniques including brush handling techniques, applying colour and variegated washes, resist and masking methods, and paper stretching. Students will learn how to mix colour and the effective use of colour theory to create lively and engaging artworks.

TUTOR: SZILVIA GYÖRGY

As well as having fun after school, students will be encouraged to develop creativity through various visual artforms. Students will learn about artistic processes, materials and innovative thinking, inspired by famous artists and their works, our environment and nature itself. Our approach is to explore and enjoy the artistic journey, which may not necessarily create a perfect product. Students will explore small/large projects, traditional/contemporary approaches to art making, contemplative study and active dynamic work. We will work individually as well as a group to create 2D and sculptural pieces. Cost includes all materials. Please bring an apron and a snack. We will have a short play/snack time.

Art Mondays (5-10 year olds)

4.00pm - 5.30pm

Art Tuesdays (5-12 year olds)

4.00pm - 5.30pm

Drawing and Painting (8-12 year olds)

\$270

TUTOR: ROS DEVAUX

The students work in a fun and supportive environment to develop foundational skills in drawing and painting. The course will encourage creativity and allow students to follow their intuition. Students should keep their work in a folder to follow their own development in preparation for high school. All materials provided.

Saturdays

10.00am - 12.30pm

TEENAGERS

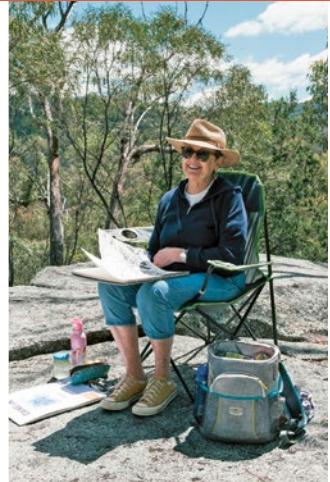

For classes suitable for high school students see **Drawing & Painting (with Ros Devaux) on page 10** and **Painting & Drawing (with Bernard Devaux) on page 14**.

These classes are open to both teenagers and adults.

High school students receive a discounted rate.

COME VISIT US!

The purpose of the Ewart Gallery is to serve the community by originating and hosting diverse, dynamic exhibitions.

The Willoughby Arts Centre seeks to be a tool in the advancement of creative expression; and our gallery provides a forum in which students may engage in creative and intellectual discourse. Gallery events and exhibitions are free and open to the public.

Every month is a collaboration with artists which makes every event a unique experience. Keep an eye on our social media or become a member to learn what each month has in store.

The Gallery is home to the **Ewart Art Prize** – our annual members' prize.
